

Executive Day

Co-located with
Lean Enterprise Software and Systems Conference
October-19th, 2010
Helsinki, Hotel Hilton Kalastajatorppa, Finland

Are you embarking on transforming to Lean philosophy? Are you puzzled by all the Lean tools and practices? Are you aiming at a radical performance improvement? If yes, LESS2010 Executive Day is for you.

You and your industrial executive peers, not more than 25, will form an exciting group to learn, share and exchange Lean insights. The meeting will start with networking breakfast. During the day, you will learn what it takes to become a lean enterprise with a special dive into beyond lean thinking. Your industry peers will share how they have led their transformation journey. Finally, we will end the day with a cocktail event and a LESS2010 Conference Banquet.
